

Learning Outcomes Area:

CLO1	Describe the entrepreneurial mindset and methods. (C1, PLO1)
------	--

- To understand the concept of entrepreneurship and entrepreneurial mindsets.
- To differentiate between an entrepreneur and a traditional business owner.
- To analyze the mindset, characteristics, and strategies that led to the entrepreneur's success.
- To identify opportunities, understand risk management, and recognize the role of innovation in business.

This assignment comprises 40% of your total marks for this module.

ASSIGNMENT OVERVIEW

In this individual assignment, you will **select ONE (1) local or international entrepreneur** and **conduct a real interview** (face-to-face or online) to understand their entrepreneurial journey, challenges, and success strategies.

You are required to:

- Choose an entrepreneur – approach them for the assignment purpose
- Prepare **a set of 8–10 interview questions** in advance.
- Conduct the interview personally (in person or online).
- Record and transcribe the key dialogue between you and the entrepreneur.
- Include **evidence of the interview** (e.g., photos, screenshots, or transcript) in the **Appendix**.

ASSIGNMENT STRUCTURE AND MARK DISTRIBUTION**1. INTRODUCTION (35 Marks)****a. Entrepreneur Profile (10 Marks)**

- Choose **ONE local or global entrepreneur** who has successfully built a business or venture.
- Provide background: education, early experiences, and pathway into entrepreneurship.
- Identify the **type of entrepreneur** (e.g., social, serial, corporate) and justify your choice.
- Support information with credible sources (official website, media, or company profile).

b. Identifying the Opportunity (5 Marks)

- Explain the market gap or business opportunity identified.
- Discuss why it was unique, timely, or relevant to the Malaysian or international market.

c. Entrepreneurial Mindset – Theory vs. Practice (10 Marks)

- Define the entrepreneurial mindset using relevant theory.
- Explain how the entrepreneur demonstrated these traits in real life.
- Compare theory to practice using evidence from your interview.

d. Generating Innovative Ideas (10 Marks)

- Describe how the entrepreneur came up with their business idea.
- Explain the innovative aspects that contributed to business success.
- Link to relevant concepts from your coursework.

2. INTERVIEW DIALOGUE & ANALYSIS (30 Marks)**a. Interview Questions and Dialogue (15 Marks)**

- Include **8–10 interview questions** designed by you.
- Present a **dialogue write-up** showing the conversation (e.g., “Student: ... / Entrepreneur: ...”).
- Focus on areas such as motivation, innovation, risk-taking, challenges, and advice.

b. Analysis of Key Insights (15 Marks)

- Summarize key findings from the interview.

- Connect the entrepreneur's experiences to **concepts from Chapters 1–7** (e.g., opportunity recognition, entrepreneurial traits, innovation, risk-taking).
- Explain how these insights reflect the realities of the entrepreneurial ecosystem.

3. CONCLUSION (20 Marks)

a. Reflections on the Entrepreneurial Journey (10 Marks)

- Reflect on what you learned about entrepreneurship and mindset.
- Identify **two lessons** that inspired or changed your perspective.

b. Learning from Setbacks and Failures (10 Marks)

- Discuss one major challenge the entrepreneur faced.
- Explain how they overcame it and the lessons on resilience and adaptability.

4. REFERENCES, FORMAT & APPENDICES (5 Marks)

- Include at least **three (3)** credible references using **APA format**.
- Ensure proper report structure with headings and subheadings.
- Include in the **Appendix**:
 - Interview evidence (photo, screenshot, or transcript extract)
 - Interview questions and transcript
 - Any supporting visuals, charts, or materials.

5. VIDEO PRESENTATION (10 Marks)

Create a **5 – 10-minute video** summarizing the entrepreneur's journey and your key learnings.

- Highlight insights from your interview, including motivation, challenges, and advice.
- Ensure good audio and video clarity.
- Submit the video in **MP4 format** together with your report.

TOTAL MARKS: 40%			

DELIVERABLES

1. Report Length:

The written report should be approximately **1,800 words** in length. Relevant **diagrams, charts, tables, and visuals** are encouraged to support your analysis and enhance presentation quality.

2. Referencing:

You are **required to use proper referencing methods** in this assignment. All sources must follow the **APA referencing style** (in-text citations and reference list).

3. Report Structure:

Your report must be **well-organized**, using clear **headings and subheadings** to separate each section according to the assignment structure and marking scheme.

4. Formatting Requirements:

Formatting Element Specification

Font	Times New Roman
Font Size	12
Line Spacing	1.5
Alignment	Justified
File Format	Word Document (.docx)

SUBMISSION AND ADMINISTRATIVE INFORMATION

- This is an **individual assignment**. Each student must submit **one (1) Word document** through **Moodle** containing:
 - The **written report**,
 - **Appendices** (including interview evidence, transcript, or screenshots), and
 - **Video file (MP4 format)** or a **shareable video link** clearly labelled with your name and student ID.

- **Due Date: Due date: 27 March 2026 by 5 pm Malaysian time**

Late submissions will be subject to marks deduction in accordance with university policy.

- **Academic Integrity and Plagiarism Warning:**

Plagiarism is strictly prohibited. Submitting another person's work as your own, without proper acknowledgment, is a serious academic offense.

Possible consequences include:

- Reduced grade for this module
- Referral or failure for the module
- Expulsion from the institution

You can avoid plagiarism by:

- Using correct APA citations for all sources
- Paraphrasing ideas accurately
- Including quotation marks and citations for direct quotes

- **Collaboration Notice:**

This is an **individual task**. You may not copy or share work with other students in any form. Each submission must be **original and independently produced**.
